Introducing new Fuller® EASY TILE™ Ceramic Tile Adhesive. Fuller® EASY TILE™ is pre-mixed to save you time and reduce mess. It sets quickly, has good water resistance and is designed for interior use with all ceramic tiles except high lugged floor tiles. Fuller® EASY TILE™ is suitable for both floors and walls. It is smooth and an easy to trowel formulation.

Fuller® EASY TILE™ has an excellent initial grab which prevents tiles from slipping from position.

Fuller® EASY TILE™ is white in colour and is ammonia free.

Fuller® EASY TILE™ is marketed at keen DIYers who love to create a masterpiece in their own homes. This market will choose Fuller® EASY TILE™ for its easy to read instructions, innovative packaging and passion for achieving their own masterpiece. With Fuller® EASY TILE™ creating a masterpiece is easy!
